

Privacy Policy

Last updated on October 25th, 2021

1. We may store webserver's log data for performance tuning and code debugging purposes, as well as to verify compliance with the Terms of Service and the Privacy Policy. Webserver's log data will be removed after a 2 year retention period at the most.

2. We may request users to provide an email address for the sole purposes of:

I. Inform you that the results after the processing of the content the user provided to us are already available.

II. Identify the content you allowed us to use for improving our service.

3. Your email address is the sole personal data we store about you.

4. In accordance with the provisions of the General Data Protection Regulation, Regulation (EU) 2016/679, we summarize our data protection information:

Data controller: Universitat Pompeu Fabra. Pl. de la Merce, 12. 08002 Barcelona. Tel. (+34) 935 422 000.

Purpose: Use the CRISPR-A service provided by Translational Synthetic Biology research group of Pompeu Fabra University. Your personal data will be kept for up to 2 years as long as we store content provided by you.

Legal basis: Your consent. You may withdraw such at any time.

Recipients: Pompeu Fabra University and companies providing ancillary IT services, upon the signature of contracts that preserve privacy. The data will not be transferred to third parties without your consent, except in the cases provided for by law.

Rights: you can access your data; request their rectification, deletion and in certain cases their portability; you may object to their processing and apply for their limitation by following the procedures described at www.upf.edu/web/proteccio-dades/drets . You can contact the UPF data protection officer (dpd@upf.edu) for any queries, or if you feel that your rights are not properly respected. Should you not be satisfied, you may file a complaint with the Catalan Data Protection Authority.

5. This website do not use cookies or any other similar technology to store information in the user's device.
